FOREWORD

President's Message

"We learn to do by doing," is an expression we hear very frequently in education circles. The staff of THE INDIANHEAD have done their work. They have learned how to produce an "annual." But they have learned far more than that. They have gained for themselves an experience in doing a piece of work for the sake of doing that piece of work. This is life, for when one lives for the sake of living his realization is complete. We congratulate the staff on their work well done.

DEDICATION

DR. KENNEDY

We the members of the Senior Class of the year nineteen hundred and forty-eight, in searching diligently for a fitting person to whom to dedicate the contents of this year-book, decided unanimously to bestow this honor upon our beloved faculty member, who gave untiringly of his time and effort in making this yearbook, as well as Volume 1 and 11 possible. To Dr. Harold W. Kennedy, we humbly dedicate our beloved INDIANHEAD. May it partially repay him for his coöperation and may it be a priceless souvenir for each of us, enfolding in its pages fond memories of the happiest days of our lives.

SCIENCE

There are two classroom-laboratories at Pembroke State College. One is used for Biology and Chemistry, the other for Physics and a variety of uses. These rooms are being equipped with more and better apparatus each year. Several students are majoring in the Sciences, and there are blue prints for a Science Building to replace these two classrooms.

SENIOR CLASS HISTORY

Four years ago we entered Pembroke State College with a determination and ambition to master all subjects no matter how difficult. At first the task seemed stupendous, but with the help of our sincere and understanding instructors, we have succeeded.

Today we are proud that our instructors taught us that we could not be entirely independent, that we must give and take. Perhaps it was through these same instructors that we received the idea that someday we would be leaders.

Some of our members dropped out for matrimonial purposes. These members, remembering their college days, soon returned to classes with friends and classmates.

Our class has been a victorious one. Since most of the boys served in the army, it left only a few with the girls to carry on. However, the boys returned and once more we had smooth going.

Nearing the time of graduation, we feel that we have played our part well and that the thing we have done have been for the betterment of the college. It is our belief that college life consists of many things, such as, religious organizations, sports, clubs, as well as studies.

After considering the matter thoroughly, we have come to the conclusion that the class of 1948 rates well with other classes which have graduated from P.S.C.

Our four years are rapidly coming to an end, and we are looking forward to graduation—the class of '48. We are proud of ourselves, but we do not forget the underclassmen. We are also proud of you. We extend our best wishes to you and your success.

Left to right: Vernon Locklear, Clemine Locklear, Madge Block, Craven Sweat.

BADMINTON AND SHUFFLEBOARD

Badminton and Shuffleboard are part of the Physical Education program at Pembroke State College and have gained wide popularity among the students. The most popular hang out on the campus is in the Gym around the Shuffleboard court.

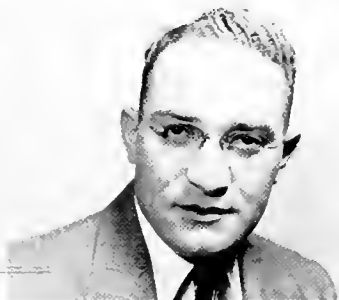

Left to right: Fred Lowry, Curt Locklear, William K. Locklear, Carlee M. Chavis, T. B. Sanderson.

STUDENT COUNCIL

Pembroke State College has organized its first Student Council. The purpose of the Council is to have a voice in campus activities and see that they are carried out.

The main job the council is doing this year is writing a constitution for the Student association so that the association may begin its work next year when a new council is selected.

First row: Josephine Locklear, Editor; A. G. Spaulding, Business Manager. Second row: Mary F. Maynor, Assistant Editor; Harvey Canady, Advertising Manager.

1948 INDIANHEAD STAFF

DR. HAROLD W. KENNEDY
INDIANHEAD Adviser

DRAMATICS

ALPHA PSI OMEGA AND DRAMATICS

The purpose of the Iota Alpha Cast of Alpha Psi Omega Honorary Dramatic Fraternity, is to stimulate interest in dramatic activities in Pembroke College, to secure for the College all the advantages and mutual helpfulness provided by a large national honorary fraternity, and, by means of electing students to membership, to serve as a reward for their worthy effort in participating in the plays staged by the dramatic organization of the College.

The motto "Seek a Life Useful" means that not only the members strive to be artists, but they endeavor to be worthy artists seeking the highest goal of any artist service.

The Dramatic Club presents two three act plays and many one-act plays during the year. Some recent productions have been: "The Hoosier School Master," "Saint Elmo," and "The Campbells are Coming."

First row, left to right: Phoda Jacobs, Maitlind Hunt, Emae Brooks, Debra Jacobs, Ray Chavis, Bonnie Lowry, Mary F. Maynor, Earlene Jacobs, Lock B. Locklear. Second row: Leah Locklear, Juanita Oxendine, Elsie Oxendine, Johnnie L. Locklear, Wilton Chavis, Retha Locklear, Hazel Locklear, Adelaide Locklear, Ethel L. Oxendine, Ira Pate Lowry, Director.

THE COLLEGE GLEE CLUB

The College Glee Club, under the direction of Prof. Ira Pate Lowry of the Music Department gives several public programs each spring.

An Artist Series is sponsored each year by Pembroke State College bringing to the Campus outstanding Artists of Instrumental and Vocal Music. In addition Faculty and Students recitals are given each year.

First row, left to right: Jesse Oxendine, Lock B. Locklear, Doris Hammonds, Catherine Locklear, Mrs. Ira Pate Lowry, Mary F. Maynor. *Second row:* Rencil Poe Locklear, Johnnie L. Locklear, Ronald Lowry, Wilton Chavis, Adelaide Locklear, Tom Carter, Grady Oxendine, Lillian T. Locklear, Geraldine Hammonds, Lucy Oxendine, Stanton Locklear, Ira Pate Lowry, *Director*.

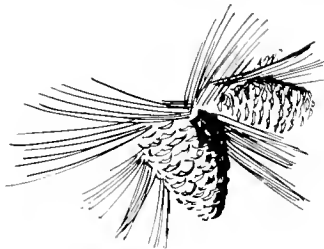

THE COLLEGE BAND

The Department of Music at Pembroke State College has shown a marked growth in the last few years; until at present it occupies a very important place in the College. Its importance lies in its performance of educational functions and its provision for extra-curricular activities.

The purposes of the Music Department are to give the students a more complete understanding of the science and art of music; and to prepare teachers of Public School Music. It also encourages all students to develop a taste for good Music.

VETERANS AND SOCIAL CLUBS

The Veterans and Social Clubs meet once a week and are very active around the College campus. Each club offers entertainment for all the College students.

B.S.U. COUNCIL

First row, left to right: Eddie Hargrove, Adelaide Locklear, Earlene Jacobs, Loraine Burnett, Earl Cummings, *President;* *Second row:* Josephine Locklear, Hazel Locklear, Retha Locklear, Debra Jacobs *Third row:* Johnnie L. Locklear, Stanton Locklear, Horace Howington. *Fourth row:* Peter Dial, Rencil P. Locklear, Lillian T. Locklear, Golda Locklear, Harvy Brewinton, *Student Secretary.*

STUDENT UNION

The Baptist Student Union is an organization which promotes voluntary religious activities of the Baptist student in the Southern Colleges and is provided for and promoted by the Southern Baptist's.

PONTIAC

EMERTIAN

To promote clear thinking, sound reasoning, intelligent expression in public speaking, dramatic ability, and leadership, Pembroke State College sponsors two literary societies: The Emeritian and The Pontiac.

At the meeting each month, students participate in debates, plays, and forums.

THE PEMBROKE NEWS

The Pembroke State College *News* is a young, but growing publication. The first edition came off the press in October 1947 and was published monthly the rest of the year. In January 1948, it grew to be a bi-monthly, and in the near future we hope it will be a weekly publication.

The purpose of this paper, besides keeping the students informed on the different activities being held on the campus, is to give the students, who are interested in journalism, a chance to prove their journalistic abilities.

It is sponsored by the Journalism Class but all members of the student body are eligible to take part in reporting the things of interest around the campus. The only requirement for becoming a member of the staff is that the Editor in Chief, and the departmental editors be Journalism students.

The Commerce Department is very coöperative and does all the typing and stencil cutting.

The P.S.C. *News* offers the students a chance to show their talents in writing, whether they be news articles or poems, essays or short stories. By doing this we have found that we have lots of hidden talent at P.S.C.

THE STAFF

RAYMOND CLARK	<i>Editor in Chief</i>	JOHNNIE L. LOCKLEAR	<i>Art Editor</i>
THOMAS OXENDINE	<i>Sports Editor</i>	EARLENE JACOBS	<i>Reporter</i>

WESLEY FOUNDATION

The Wesley Foundation is a religious organization of Methodist Students and of other denominations to help meet their spiritual, moral, and social needs, and to help prepare them for local leadership. It is a part of the State, National, and World Student Movement.

THE LIBRARY

The Pembroke State College Library has a Book Collection of 14,510 volumes. The College Library receives around 127 weekly or monthly magazines through purchase or gift and six daily or weekly newspapers. At present, the Library is about to outgrow the stack room added within the past two years. The problem now is where can the new books be placed until the library quarters in the new Administration Building are completed.

This year, Miss Carrie Lee Jacobs has been added to the Library Staff as Secretary to the Librarian. In addition, there are three student assistants: Miss Earlene Jacobs, Miss Adelaide Locklear, and Miss Lillian Tene Locklear.

ATHLETICS

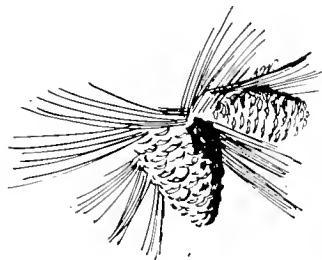

JESSE OXENDINE

MOLAND STRICKLAND

FOOTBALL CAPTAINS

FOOTBALL

This is the first year that football has really gotten underway at P.S.C. The squad made a much better showing than the scores indicated, and the boys are to be congratulated for their fine work.

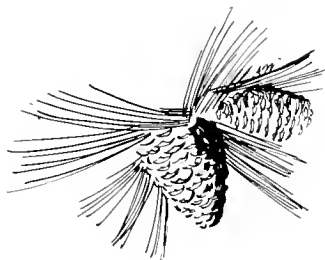

To choose outstanding players is a somewhat difficult proposition. To mention a few, we would like to commend the following men in the line: A. G. Spaulding, Henry Ford Lowry, and Will Goins; in the backfield, it was Jesse Oxendine, Moland Strickland, and Marvin Lowry.

The 1947 football squad was privileged to play in three different states, Georgia, and Alabama as well as North Carolina. As a result of these trips 1948 should produce a much stronger Pembroke State College team.

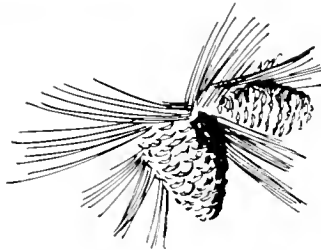

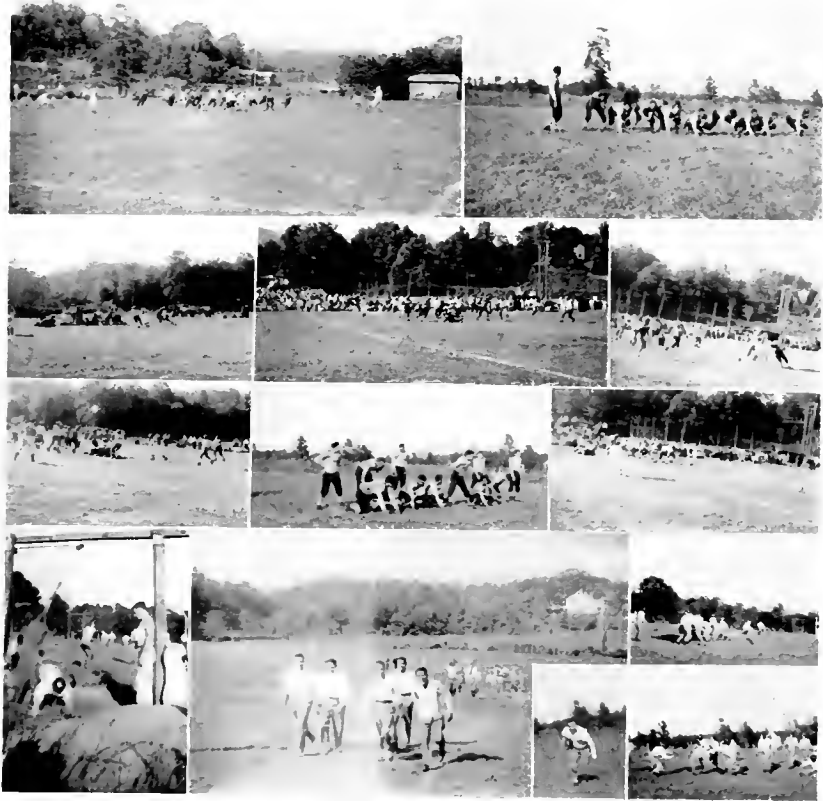

FOOTBALL

First row, left to right: Stanton Locklear, Manager; A. G. Spaulding, Jesse Oxendine, Monroe Lowry, T. B. Sanderson, Walter Locklear, Wilton Chavis, Horace Howington. Second row: James T. Sampson, Coach; Earl Cummings, Molan Strickland, Henry Smith, Hilton Chavis, Peter Dial, Robert Oxendine. Third row: Henry F. Lowry, Tom Oxendine, Ned Sampson, Eddie Hargrove, Vincent Lowry, Spyrgzon Bullard.

FOOTBALL SCENES

First row, left to right: James T. Sampson, Coach; Carl Revels, Jr., Archie Oxendine, William K. Locklear, Ted Locklear, Tom Carter. Second row: Henry F. Lowry, Johnnie L. Locklear, Horace Howington, Ronald Lowry, Tom Oxendine, Jr., Walter Locklear, Moland Strickland, Stanton Locklear, Manager.

BASKETBALL

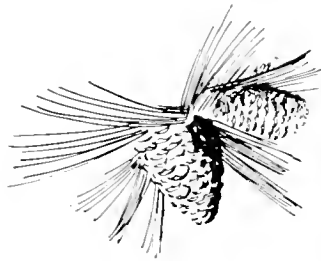

Basketball, the favored sport at P.S.C. furnished the local fans with many thrills throughout the season, but none surpassed the equaling of scores with Presbyterian Junior College. Having lost to them in the first game of the season 34-29, on February 7, Pembroke was on the big end of a 42-34 score.

The team played sixteen games and broke about even on wins.

Only one Senior, Tom Oxendine, Jr., forward, will be lost upon graduation, leaving a considerable nucleus for the season of '49.

WINTER RECREATION

First row, left to right: Margaret Locklear, Gearldene Hammonds, Josephine Locklear, Elizabeth Berry, Lorraine Burette, Phoda Jacobs. Second row: Ruby L. Oxendine, Adalaide Locklear, Debra Jacobs, Earlene Jacobs, Retha Locklear, Maitland Hunt. Third row: James T. Sampson, Coach; Lucy Oxendine, Frances Stewart, Doris Blandks, Vertie R. Hunt, Elsie M. Oxendine, Juantia Oxendine, Doris Hammonds.

GIRLS' BASKETBALL

The 1947-48 Girl's Basketball team was one of the strongest ever produced at Pembroke State College. The Girls under the direction of Coach J. T. Sampson won all their games but one, which was lost to Wingate by a score of 32-26. The girls are to be congratulated for their fine work. Earlene Jacobs is the only senior on the Squad to be lost by graduation and we are looking forward to another year of success with this squad.

As a reward for their fine work the girls will be awarded sweaters and letters or the first time in the history of the school.

CHEER LEADERS

First row, left to right: Madge Black, Tom Carter, Harvey Canady, Magenta Johnson, Ray Chavis, Carlee M. Chavis, Rencil P. Locklear.

First row, left to right: Earl Cummings, Luanna Oxendine, Wilton R. Chavis, Phoda Jacobs.

TABLE TENNIS

First row, left to right: Vernon Locklear, Ted Locklear, William K. Locklear, Horace Howington, Tom Oxendine, Tom Carter, Walter Locklear. *Second row:* James T. Sampson, *Coach*; Jessie Oxendine, Henry F. Lowry, Moland Strickland, Ned Sampson, Wilton R. Chavis, Ronald Lowry, Robert Oxendine, Goldie Locklear, Stanton Locklear, *Manager*.

BASEBALL TEAM

The 1948 Baseball season has not yet opened but with the addition of such players as Tom Oxendine and Moland Strickland as well as several others, this should be a banner year for P.S.C.

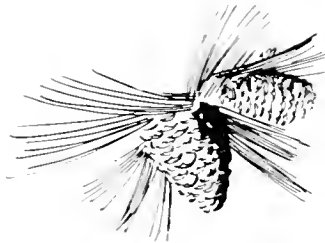

Most of the men from the 1947 squad will be back this year. Among the outstanding will be: Jim Dial, Marvin Lowry, Horace Howington, James A. Jones, and Walter Locklear.

GYMNASIUM

The College Gymnasium, a spacious building, modern in all details, was erected during the session of 1938-39 by the Public Works Administration. This building has a seating capacity of one thousand persons, and meets all requirements for indoor athletic sports and classes in physical education.

It contains dressing rooms, showers, and lockers, for men and women. All the Indian High Schools of the County hold an Annual Basketball Tournament in the Gym.

SCENES FROM BANQUET

One of the highlights of the college social calendar for the year is the semiformal Thanksgiving Banquet, which is sponsored by the College Social Committee and prepared entirely by the students on a coöperative basis. At this time students, faculty members, and alumni assembled in the College Dining Hall for a traditional Thanksgiving feast and an evening of fun and frolic with entertainment provided by all-student talent. On this occasion the alumni are welcomed back to their alma mater; and students and faculty members are given a chance to become better acquainted.

SCENES FROM THE FAIR

This year Pembroke put on its first Robeson County Fair which was held at Pembroke State College. The Gym served as an exhibit house for all the Commercial, Safety, Handwork, Home Canning, and Floral booths. The Ball Park served as an exhibit grounds for the livestock. This will be an annual affair at Pembroke State College.

FINE ARTS

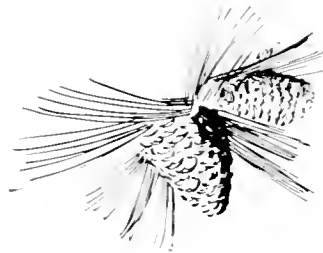

Fine Arts teaches us the relationships of line, color and form in such a way that we appreciate the niceties of life. Our study takes us through nature, in the form of plants, animals, landscapes and the human figure.

CRAFTS

In crafts, we learn block printing, stencil work, metal work, braiding, etc., The most fascinating part of crafts, is that of weaving on the six large looms. The products range from rugs, through dress materials, curtains, and baby blankets. Pottery work is in its infancy, but will increase rapidly, now that we have a new electric kiln.

Yes, Reddy Kilowatt is a mighty man

One Kilowatt of electricity is equal to one and one-third horsepower — but what is more important is what it can do for you. Electrical cooking, refrigeration, lighting, washing, ironing, and all the other tasks electricity does in your home take very little horsepower — but they are mighty valuable to the comfort and convenience of your everyday life

Use your electricity to the fullest extent — enjoy things electricity does for you

PEMBROKE STATE COLLEGE

Beginning September 1, 1948, the College will offer through its Trade School special courses designed to prepare those enrolled to become skilled workers in their respective fields. Each course will be an intensive course covering a period of six months, and in addition to the learning of the special skills required in the occupation students will be required to study English and Arithmetic especially applicable to the respective fields.

Courses to be offered are:

- 1. CARPENTRY**
- 2. MASONRY**
- 3. PLUMBING**
- 4. PRACTICAL ELECTRICITY**

These courses are designed especially for Veterans but are open to anyone caring for this particular type of instruction. A certificate of Proficiency will be awarded to those who successfully complete the course.

For further information address:

**THE PRESIDENT
PEMBROKE STATE COLLEGE
PEMBROKE, N. C.**

READ
THIS . . .
before
you decide
on your
profession

DURING the next six years, half a million teaching positions will be available in the United States. Thousands of men and women are needed to replace inadequately prepared teachers now in the schools, to fill the vacancies caused by normal turnover, and to meet the needs of the five million additional children born during wartime. There is a need for elementary and high school teachers, college instructors, principals, superintendents, and educational specialists of every kind.

Now you know the law of supply and de-

mand. When your kind of training and ability are needed, offers for it are made more and more attractive.

That is what's happening in the teaching profession. Many communities are taking steps to improve their local school conditions—some are granting salary increases—some states are establishing definite minimum salaries for teachers.

The ability to teach is a special gift, a valued talent, and no profession provides greater personal satisfaction than teaching. If you are a "born teacher"—make your decision now to join this honored profession. For "Our Teachers Mold Our Nation's Future," and America's future has need of you.
